1. **Apologies & reasons for absence:** No apologies received
2. **Declarations of Interests:** DH – Ammanford AFC, LB – Chair of Junior Section Ammanford AFC

#### 3. **To Discuss Ammanford AFC**

Clerk updated councillors on current situation regarding AFC erecting fencing along their boundary line on the Recreation Ground. No discussion between parties has occurred and no information regarding the works (start date, materials, size etc) has been provided to the Town Council. AFC state that consent was obtained from both the Town Council & Carmarthen County Council in October 2023.

Fence being erected impedes on the midi football pitch so it is currently not useable. LB stated that the junior section have been informed by the AFC that they will pay for new pitch to be line-marked.

Cricket games will commence on 30<sup>th</sup> April 2024 so any outstanding football game to be played on the midi pitch will need to take place before then.

Proposed by HH that costs to carry out the work needed to line mark a new midi pitch & any remedial work that is subsequently required will be invoiced to Ammanford AFC.

AFC also to be made aware that vehicular access onto the Recreational Ground is not impeded by the fence being installed.

Clerk to write to AFC & other sports clubs to advise them that there needs to be clear & open communication moving forward. If any future work needs to be undertaken then consent needs to be requested and a proposed schedule of works supplied to the Town Council.

Seconded by AJ. All present in favour.
